Errors and Disputes

2. (1) No objection may be raised to the qualification of any person voting at a general meeting except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting is valid.
(2) Any such objection must be referred to the chairman of the meeting, whose decision is final.

Poll Votes

3. (1) A poll on a resolution may be demanded—
 - a. in advance of the general meeting where it is to be put to the vote; or
 - b. at a general meeting, either before a show of hands on that resolution or immediately after the result of a show of hands on that resolution is declared.
- (2) A poll may be demanded by—

 - c. any member or members present in person or by proxy and representing at least one tenth of the total voting rights of all the members having the right to vote at the meeting;

 - c. is signed by or on behalf of the shareholder appointing the proxy, or is authenticated in such manner as the directors may determine; and
 - d. is delivered to the company in accordance with the articles and any instructions contained in the notice of the general meeting to which they relate.

 - a. allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting, and
 - b. appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

Delivery of Proxy Notices

5. (1) A person who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid proxy notice has been delivered to the company by or on behalf of that person.

- (2) A special resolution to be proposed at a general meeting may be amended by ordinary resolution, if—
 - a. the chairman of the meeting proposes the amendment at the general meeting at which the resolution is to be proposed, and
 - b. the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.
- (3) If the chairman of the meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the chairman's error does not invalidate the vote on that resolution.
